SUBJECT

Authorize an engineering services contract with O'Brien Engineering, Inc. to provide engineering services for the analysis of Garage A and B pedestrian concourse walkway roof and heating, ventilation, and air conditioning (HVAC) system as well as other HVAC system around the garage/terminal area, correct existing deficiencies, bid phase and construction administration services at Dallas Love Field - Not to exceed \$249,600.00 - Financing: Aviation Fund

BACKGROUND

The Dallas Love Field Garage A and B pedestrian concourse walkway was built in 2004 during the Love Field Modernization Program. Over the past few years, it has experienced water infiltration issues.

This project will procure a consultant to assess the existing condition of Garage A and B pedestrian concourse walkway roof and HVAC system as well as other HVAC system around the garage/terminal area. Fifteen Dallas Love Field HVAC's will need to be evaluated for repairs and/or
