SUBJECT

Authorize a two-year service price agreement for consulting services for financial compliance of the Coronavirus State and Local Fiscal Recovery Fund Program for Budget and Management Services - Horne LLP, most advantageous proposer of fourteen - Estimated amount of \$1,563,550.00 - Financing: ARPA Redevelopment Fund (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

This service price agreement will provide for consulting services for financial compliance of the Coronavirus State and Local Fiscal Recovery Fund Program for Budget and Management Services. Consultant services will be responsible for supporting City staff with American Rescue Plan Act (ARPA) and Local Fiscal Recovery Funds (SLFRF) rules and regulations with divisions on staying

informed of any current or pending requirements which may impact the administration of the ARPA/SLFRF programs. The selected firm will also be responsible for sampling expenditures to test for compliance.

The U.S. Department of Treasury issued certain compliance and reporting guidance that ARPA recipients may use funds for administering the SLFRF also referred to as ARPA. Funds may include cost of consultants to support effective management and oversight, including consultation for ensuring compliance with legal, regulatory, and other requirements.

The service price agreement consists of multi-year funds which will assist in providing consulting services for Budget and Management Services awarded programs receiving grant or federal funds. Consultant services will be responsible for supporting City staff with rules, regulations, and guidance to financial and compliance support.

A six-member committee from the following departments reviewed and evaluated the qualifications:

- Building Services Department (1)
- Budget and Management Services (2)
- Office of Community Care (1)
- Park & Recreation Department (1)
- Small Business Center Department (1)

The committee selected the successful respondent on the basis of demonstrated competence and qualifications under the following criteria:

- Experience 35 points
- Approach and methodology 25 points
- Technical competence 25 points
- Business Inclusion and Development Plan 15 points

As part of the solicitation process and to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The calculated living wage during the solicitation process of this contract is \$18.24; the selected vendor meets this requirement.
