STRATEGIC PRIORITY: Government Performance & Financial Management

AGENDA DATE: May 22, 2024

COUNCIL DISTRICT(S): All

DEPARTMENT: Office of Procurement Services

EXECUTIVE: Donzell Gipson

SUBJECT

Authorize a three-year service contract for emergency dewatering services during localized flood events within the city for the Water Utilities Department - Herc Rentals, Inc., lowest responsible bidder of two - Not to exceed \$5,253,400.00 - Financing: Stormwater Drainage Management Fund (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This service contract will provide for emergency dewatering services during localized flood events within the city for the Water Utilities Department. Services provided by this contract will augment City staff during rain events which cause localized flooding within certain areas of the city. In these cases the contractor will be required to pump water from the flooded area downstream to the nearest manhole, storm drain, or when close enough for the equipment to reach over the levee. This type of localized flooding can be caused by pump overload, a blocked pipe, failed pump, or no nearby

pumping station. The contractor will be required to mobilize necessary personnel, pumping equipment, and vehicles as needed to service various locations and terrain (e.g. paved and unpaved surfaces). The contractor is required to remove up to 60,000 gallons of water per minute when necessary.

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The calculated living wage during the solicitation process of this contract is \$18.24; the selected vendor meets this requirement.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

This item has no prior action.
