SUBJECT

Authorize an increase in the homestead property tax exemption for persons who are disabled or 65 or older from \$139,400 to \$153,400 beginning with the 2024 tax year (fiscal year beginning October 1, 2024) - Total Estimated Annual Revenue Foregone: General Fund (\$5,402,040) and Debt Service Fund (\$2,072,628) (This item was deferred on June 12, 2024)

BACKGROUND

The City of Dallas grants a homestead exemption of 20 percent or a minimum of \$5,000 of the market value of residence homesteads. An additional exemption of up to \$139,400 of the market value is granted to those persons who are disabled or 65 or older. The \$139,400 exemption has been in effect since tax year 2023 (fiscal year beginning October 1, 2023).

On December 13, 2017, the City Council added Financial Management Performance Criteria (FPMC) #23 that requires a comparison of the current exemption for individuals who are disabled or 65 or

older to the most recent annual Consumer Price Index (CPI) every two years.

On May 26, 2021, the City Council approved an amendment to FMPC #23 that requires a comparison of the current exemption to the most recent annual Consumer Price Index for the Elderly (CPI-E) or the year-over-year change in the average residential market value (whichever is greater) annually.

The proposed increase recognizes the year-over-year change in the average residential market value.
