BACKGROUND

Rock Island Riverfront, LP (Applicant), a to be formed Texas limited partnership, submitted a Request for Resolution application to the City for a Resolution of No Objection for its application to TDHCA for 2023 4% Non-Competitive Housing Tax Credits (4% Housing Tax Credits). The 4% Housing Tax Credits will be used for the development of Rock Island Riverfront (the "Development"), a 178-unit mixed-income multifamily complex located at 1027 South Riverfront Boulevard, Dallas, Texas 75207 (Property). A purchase and sale agreement for the Property has been executed between the current owner of the Property and an affiliate of the Applicant. TDHCA requires 4% Housing Tax Credit applicants provide a Resolution of No Objection from the governing body of the jurisdiction in which the proposed development will be sited. As part of these TDHCA requirements, the governing body must also conduct a public hearing for citizens to provide comment on the proposed development. Once a resolution is adopted and submitted to TDHCA, it cannot be changed or withdrawn.

Applicant or its affiliate shall form Rock Island Riverfront, LP, a Texas limited partnership, the general partner of which is anticipated to be Rock Island Riverfront GP, LLC, a to-be-formed single asset entity solely owned by the Dallas Housing Finance Corporation (DHFC). A to-be-formed limited liability company will be Rock Island Riverfront, LP's special limited partner. Petra Development or an affiliate will be 100% owner of the special limited partner. An amended and restated agreement of limited partnership will be executed to admit the tax credit equity investor as investor member once identified.

On September 13, 2022, the DHFC Board of Directors adopted a resolution declaring its intent to issue bonds for the Property and authorized the filing of an application for allocation of private activity bonds with the Texas Bond Review Board.

Petra Development (Petra) or its affiliate will serve as the developer and guarantor of the project. Petra has successfully built or acquired over \$220 million worth of multifamily assets including market rate, mixed-use, and affordable properties. They are very active in the market and currently have three more properties under construction slated to be complete in late 2022 with multiple more under contract.

The Applicant proposes to develop 178 units. The 178 units are comprised of 89 1-bedroom, 70 2-bedroom, and 19 3-bedroom units. The units will include energy efficient appliances, washer/dryer hookups, covered entries/patios, and other TDHCA-required features. The Property will also include controlled gate access, a multipurpose community room, swimming pool, fitness center, outdoor game spaces, and landscaped walking paths.

Petra will work with the Office of Integrated Public Safety Solutions for security input, community activities, and incorporate best practices of Crime Prevention Through Environmental Design (CPTED). Additionally, Petra will provide modern security features to include a full camera system, controlled access, a community crime watch program, and participation in National Night Out to ensure a safe living environment for all residents and staff.

The Applicant proposes to provide on-site resident services including:

1. Monthly transportation to community/social events;
2. High-quality pre-k program with dedicated space on-site;
3. 12 hours per week of after school tutoring;
4. Annual income tax preparation;

Future and potential development surrounding this project location includes the potential \$2 billion Dallas Convention Center redevelopment, the potential \$20 billion high speed rail station, and several other planned multifamily developments and retail along Riverfront Boulevard. This area is poised to undergo an extended stage of redevelopment which will be a key driver for employment as well as housing.

Total development costs are anticipated to be approximately \$78,817,252.00 which includes the acquisition price for the land. The construction budget is anticipated to be approximately \$53,581,957.00 which is \$301,022.00 per unit.
