BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement. We anticipate the following City departments will use this agreement:

This service price agreement will provide for citywide on-site alteration services and the purchase of uniforms for public safety personnel.

The Fire-Rescue and Police Department Quartermasters provide uniforms and equipment for public safety personnel that require departmental issued equipment. The purchase of uniforms includes:

- Uniforms
- Station wear
- Dress wear

- Outerwear
- Rain wear
- Caps
- Hats
- Accessories
- Insignia
- Patches

The on-site alteration services at the Fire-Rescue and Police Department Quartermasters provide alterations for public safety personnel, including hemming, addition of patches, cloth name tags with badge numbers, mohair, bullion stars, oak leaves, chevrons, and service stripes. Alteration services are essential in outfitting personnel with proper fitting uniforms equipped with patches, hems, stars, and stripes, to help identify and associate the personnel with their assigned department, as well as, conduct the daily operations.

A seven-member committee from the following departments reviewed and evaluated the qualifications:

- Fire Rescue-Department (3)
- Police Department (2)
- Office of Economic Development Business Workforce and Inclusion Division (1)*
- Office of Procurement Services (1)*

*The Office of Procurement Services evaluated cost and local preference, if applicable. The Office of Economic Development Business Workforce and Inclusion Division only evaluated the Business Inclusion and Development Policy.

The committee selected the successful respondents on the basis of demonstrated competence and qualifications under the following criteria:

- Cost and timeframe 30 points
- Sourcing and strategy 25 points
- Delivery, returns and communication 25 points
- Business Inclusion and Development Plan 15 points
- Local Preference Program 5 points

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The current calculated living wage during the solicitation process of this contract is \$12.38; the selected vendor meets this requirement.

On August 22, 2018, City Council authorized a three-year service price agreement, with two one-year renewal options, for public safety uniform alterations with CG Wholesale LLC by Resolution No. 18-1143.
