BACKGROUND

HUD administers the HOPWA Program to provide housing for persons with HIV/AIDS. The HOPWA Program includes both formula entitlement grants and competitive grants.

In 2006, the City of Dallas was awarded an FY 2006 HOPWA Competitive Grant from HUD in the amount of \$721,000.00, to provide housing placement and rental assistance for ex-offenders with HIV/AIDS for the period January 1, 2007 through December 31, 2009. In 2009, the grant was renewed as a permanent supportive housing project at level funding for an additional three years through December 31, 2012. In 2012, the grant was renewed a second time with an increase in funding to \$746,853.00 for an additional three years through December 31, 2015, which was subsequently extended to September 30, 2016.

On April 12, 2019, the Office of Community Care submitted a renewal grant application for FY 2019 HOPWA Competitive Grant funds to continue the project through September 30, 2022, at level funding. Increased funding was not available in the competition.

Under this grant, the City will pay housing placement costs for new clients and ongoing monthly rental assistance for a total of 35 ex-offenders living with HIV/AIDS. The grant will continue to fund one full-time housing case manager located at the Martin Luther King, Jr. Community Center through the Office of Community Care Fresh Start Housing Program. There are no matching requirements for the grant.
