STRATEGIC PRIORITY: Transportation & Infrastructure

AGENDA DATE: June 26, 2024

COUNCIL DISTRICT(S): 2, 10, 13

DEPARTMENT: Department of Transportation

EXECUTIVE: Majed Al-Ghafry

SUBJECT

Authorize a professional engineering services contract with WSB, LLC for traffic signal design services for the following four intersections selected as part of the 2023 Dallas Area Rapid Transit (DART) Public Transportation Improvement Program: Brookriver Drive at West Mockingbird Lane; Park Lane at Caruth Plaza; Abrams Road at Flickering Shadow Drive; Ferguson Road at Millmar Drive; and other related tasks - Not to exceed \$400,081.00 - Financing: DART Transportation Projects Fund

BACKGROUND

This action will authorize a professional engineering services contract with WSB, LLC for the design of traffic signals at four intersections. This contract is for four of the 22 intersections selected as part of the 2023 DART Public Transportation Improvement Program. The DART Public Transportation Improvement Program will provide funding to reconstruct dated traffic signals and improve pedestrian safety at intersections along DART bus routes.

The following signals will be designed with this contract:

<u>Intersection</u>	<u>Council District</u>
Brookriver Drive at West Mockingbird Lane	2
Ferguson Road at Millmar Drive	2
Abrams Road at Flickering Shadow Drive	10
Park Lane at Caruth Plaza	13

On September 20, 2023, the City of Dallas released a Request for Qualifications for professional engineering services for the development of traffic signal plans, specifications, and estimates for eight traffic signal groups and received ten proposals from interested firms.

In October 2023, a five-member selection committee consisting of staff from the Department of Transportation, Department of Public Works, and Small Business Center Department reviewed and evaluated the proposals. WSB, LLC was selected by the review committee to provide professional services for these four intersections.

ESTIMATED SCHEDULE OF PROJECT

Begin Design June 2024
