BACKGROUND

In February 2024, the Kay Bailey Hutchison Convention Center Dallas was shortlisted to host a larger economic development initiative related to a soccer federation for potentially nine months of 2026.

OVG360 and VisitDallas continue to negotiate with the entity to come to agreement terms regarding square footage requirements, food service, parking, and perimeter use. Some of the items requested as part of the negotiation fall outside of both entities' contracts with the City of Dallas. As such, the City must enter into a joinder agreement to deliver those capital, perimeter and other needs requested by the soccer federation, in order for negotiations to continue.
