### BACKGROUND

The Dallas Police Department is routinely asked to participate in various federal, state, and local law enforcement investigation task forces and receives reimbursement for expenses associated with those task forces from the sponsoring federal, state, or local agency involved. The reimbursed expenses are generally for the Dallas Police Department officers' overtime associated with the investigations. Occasionally, the task force agreement specifies reimbursement for other miscellaneous expenses.

The Dallas Police Department participates in approximately 18 to 25 task forces per year for varying lengths of time. Each task force investigation is usually confidential, and the officers assigned to the investigation are generally undercover officers. Each task force agreement specifies the nature, the time-period and maximum amount of reimbursement the City may receive and must be signed by an authorized official of the City.

The purpose of this agenda item is to create a better tracking-monitoring system on all task force activities. In Fiscal Year 1999-00, the Dallas Police Department initiated a procedure to obtain approval for all task force participation through one City Council resolution in lieu of processing an Administrative Action for each task force each fiscal year. This procedure ensures that the agreements are processed in a routine, but confidential manner.

Funding allocations represent projections only and are subject to modification based upon the progress and needs of the investigation. Additionally, resources are contingent upon the availability of federal, state, and local funds as well as the availability of Dallas Police Department officers to work on a task force as planned. Approval of this item will ensure that all task force revenues are authorized to be deposited, and subsequently, the general fund will be reimbursed consistent with the original overtime expenditures.
