BACKGROUND

In 2009, the Texas State Legislature enacted Chapter 147 of the Texas Local Government Code which permits police and fire sworn employee groups to meet with designated management teams to discuss employment matters such as wages, benefits, and working conditions.

This process, called "Meet and Confer," is designed to allow police and fire sworn employee groups and management an opportunity to reach an agreement on important employment issues. Unlike collective bargaining, meet and confer provides an opportunity, not a requirement, for the City to reach an agreement with its police and fire sworn employee groups.

Under Chapter 147 of the Texas Local Government Code, the agreement by the Meet and Confer Team must be in writing and ratified through a voting process by all sworn police and fire officers and ratified by the City Council.

The City's current Meet and Confer Agreement will expire on September 30, 2019. Since January 2019, management has been meeting with the Meet and Confer Team to negotiate the terms of a new agreement on a range of issues, including wages and working conditions. After months of negotiation, the parties have reached consensus for a new three-year agreement to begin on October 1, 2019.

The City received notice that the proposed Meet and Confer Agreement was ratified by police officers and firefighters with 99% voting in favor of the agreement. It is recommended that the City Council authorize the City Manager to execute the proposed agreement.
