Cullum Boulevard, Pine Street, Central Expressway, and Lamar Street in the Forest District area of Dallas, Texas as City of Dallas Neighborhood Empowerment Zone No. 14 (NEZ No. 14), pursuant to Chapter 378 of the Texas Local Government Code, to promote the creation or rehabilitation of affordable housing in the zone, establish boundaries of the zone, and provide for an effective date; **(2)** declaring that projects located within NEZ No. 14, within the Grand Park South Tax Increment Financing District, and eligible for the City's Residential Neighborhood Empowerment Zone (NEZ) Program may utilize real property and

BACKGROUND

Chapter 378 of the Texas Local Government Code (the Act) provides for the creation of NEZs. A NEZ is a flexible tool that a municipality can utilize to implement an economic development program, to create or rehabilitate affordable housing in the zone, and to increase the quality of social services, education or public safety provided to the residents of the zone.

With this item, staff is proposing to create City of Dallas NEZ No. 14 for a geographic area approximately 1,365 acres in size generally bounded by Al Lipscomb Way, Malcolm X Boulevard, Robert B. Cullum Boulevard, Pine Street, Central Expressway, and Lamar Street in the Forest District area of Dallas. The area is comprised mostly of single-family homes and vacant lots. Most of the area is Market Value Analysis Category E, G, or I.

NEZ No. 14 includes the Forest District and Windelkin neighborhoods as well as the Jeffries Meyers and Bertrand neighborhoods immediately east, where new development is expected, and displacement potential exists. This boundary was drawn to support additional planning, anti-displacement, and investment efforts in the area.

A companion item on the current Council agenda proposes to amend the Comprehensive Housing Policy (CHP) to create a Residential NEZ Program which would provide for a tax abatement and grants in amounts equal to development fees and certain development-related costs for (1) new construction of single-family homes or duplexes that are sold or rented to eligible households, or new construction of multifamily dwelling units that are sold to eligible households, on lots that are either currently vacant, subject to an order of demolition under Chapter 27 or purchased through the City's Land Bank or Land Transfer programs; (2) renovation of owner-occupied housing units; and (3) renovation, code compliance, and guaranteed affordability for rental single-family and duplex housing units.

A small portion of the proposed boundary lies within the Grand Park South Tax Increment Financing (TIF) District. Section 311.0125 of the Texas Tax Code requires that tax abatements within TIF districts be approved by the board of directors of the TIF district and the governing body of each participating taxing jurisdiction.

The Board of Directors of the Grand Park South TIF District and the Dallas County Commissioners Court are each anticipated to review a formal request for approval of tax abatements up to \$50,000.00 per abatement that comply with the Residential NEZ Program and are within the Grand Park South TIF District. The TIF Board will review an amendment to the increment allocation policy if necessary. This item recommends that City Council also specifically approve such abatements within the TIF district and authorize the City Manager to execute tax abatement agreements for projects eligible for the Residential NEZ Program in the proposed NEZ, including those within the TIF district, up to \$50,000.00 per abatement.

City Council approval of this item will approve the creation of the NEZ and authorize the City Manager to execute tax abatement agreements up to \$50,000.00 each, including within the Grand Park South TIF District.
