### SUBJECT

Authorize a resolution (1) designating approximately 2,294 acres of property generally bounded by Canada Drive, Fort Worth Avenue, Hampton Road, and Westmoreland Road in the West Dallas area of Dallas, Texas as City of Dallas Neighborhood Empowerment Zone No. 16 (NEZ No. 16), pursuant to Chapter 378 of the Texas Local Government Code, to promote the creation or rehabilitation of affordable housing in the zone, establish boundaries of the zone, and provide for an effective date; (2) declaring that projects located within NEZ No. 16, within either the Fort Worth Avenue Tax Increment Financing (TIF) District or the Sports Arena TIF District, and eligible for the City's Residential Neighborhood Empowerment Zone (NEZ) Program, may utilize real property and

business personal property tax abatements under the provisions of the Residential NEZ Program; and (3) authorizing the City Manager to execute individual tax abatement agreements and development grant agreements in amounts equal to development fees and certain development-related costs up to \$50,000.00 in accordance with the Residential NEZ Program - Financing: This action has no cost consideration to the City (see Fiscal Information)

## **BACKGROUND**

Chapter 378 of the Texas Local Government Code (the Act) provides for the creation of NEZs. A NEZ is a flexible tool that a municipality can utilize to implement an economic development program, to create or rehabilitate affordable housing in the zone, and to increase the quality of social services, education, or public safety provided to the residents of the zone.

With this item, staff is proposing to create City of Dallas NEZ No. 16 for a geographic area approximately 2,294 acres in size generally bounded by Canada Drive, Fort Worth Avenue, Hampton Road, and Westmoreland Road in the West Dallas area of Dallas. The area is comprised mostly of single-family homes and vacant lots. Most of the area is Market Value Analysis Category E or I.

NEZ No. 16 encompasses the area of West Dallas east of Westmoreland Road, South of Canada Drive, and generally north of Fort Worth Avenue, where new development is expected and displacement has already happened. This boundary was drawn to incentivize existing homeowners to invest in their homes and to encourage developers to reserve new homes built for eligible households.

A companion item on the current Council agenda proposes to amend the Comprehensive Housing Policy (CHP) to create a Residential NEZ Program which would provide for a tax abatement and grants in amounts equal to development fees and certain development-related costs for (1) new construction of single-family homes or duplexes that are sold or rented to eligible households, or new construction of multifamily dwelling units that are sold to eligible households, on lots that are either currently vacant, subject to an order of demolition under Chapter 27 or purchased through the City's Land Bank or Land Transfer programs; (2) renovation of owner-occupied housing units; and (3) renovation, code compliance, and guaranteed affordability for rental single-family and duplex housing units.

A small portion of the proposed boundary lies within either the Fort Worth Avenue Tax TIF District or the Sports Arena TIF District. Section 311.0125 of the Texas Tax Code requires that tax abatements within TIF districts be approved by the board of directors of the TIF district and the governing body of each participating taxing jurisdiction.

The Boards of Directors of the Fort Worth Avenue TIF District, the Sports Arena TIF District, and the Dallas County Commissioners Court are each anticipated to review a formal request for approval of tax abatements up to \$50,000.00 per abatement that comply with the Residential NEZ Program and are within either the Fort Worth Avenue TIF District or the Sports Arena TIF District. The TIF Boards will review an amendment to the increment allocation policy if necessary. This item recommends that City Council also specifically approve such abatements within the TIF districts and authorize the City Manager to execute tax abatement agreements for projects eligible for the Residential NEZ Program

in the proposed NEZ, including those within the TIF district, up to \$50,000.00 per abatement.

City Council approval of this item will approve the creation of the NEZ and authorize the City Manager to execute tax abatement agreements up to \$50,000.00 each, including within the Fort Worth Avenue and Sports Arena TIF Districts.
