BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This Supplemental Agreement will provide for continued non-emergency wrecker services for towing City vehicles as follows:

- Towing City vehicles that are wrecked or mechanically disabled from any city-wide locations to City service centers
- Removing and transporting approximately 700 seized junk vehicles from any location within the City to the City's auto pound site for the Department of Code Compliance

The City maintains a fleet of approximately 5,500 vehicles.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a "living wage" rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The current calculated living wage during the solicitation process of this contract is \$11.15; the selected vendors meet this requirement

On November 14, 2018, City Council authorized a three-year service price agreement for non-emergency wrecker services with Recovery Systems, Inc. dba Pro-Tow Wrecker Services and 24 Hour Wrecker Service by Resolution No. 18-1615.
