SUBJECT

Authorize a two-year service price agreement for housing and service assistance to homeless young adults for the Office of Homeless Solutions - CitySquare, most advantageous proposer of two - Estimated amount of \$358,190 - Financing: General Fund (\$100,000) and Texas Health and Human Services Commission Grant Funds (\$258,190)

BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

This service price agreement will provide for housing and service assistance to homeless young adults 24 years of age and younger. Eligible services may include case management, emergency shelter, street outreach, and transitional living. The recommended firm will provide an initial

assessment of each client and provide immediate shelter. Based on the initial assessment the firm will provide education to build on the strengths of the client as well as assist the client in gaining sustainable housing. The firm will also provide treatment as necessary and support the client in gaining social and emotional well-being. Services provided by the recommended firm also include access to laundry, showers, personal hygiene, and clothing.

A five-member committee from the following departments reviewed and evaluated the qualifications:

- Department of Housing & Neighborhood Revitalization (1)
- Office of Community Care (1)
- Office of Welcoming Communities & Immigrant Affairs (1)
- Office of Business Diversity (1)*
- Office of Procurement Services (1)*

*The Office of Procurement Services only evaluated cost and the Office of Business Diversity only evaluated the Business Inclusion and Development Plan.

The committee selected the successful respondent on the basis of demonstrated competence and qualifications under the following criteria:

- Financial capacity Pass/Fail points
- Experience 35 points
- Approach and methodology 50 points
- Business Inclusion & Development Plan 15 points

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors. Additionally, in an effort to secure more competition, the Office of Business Diversity sent notifications to chambers of commerce and advocacy groups to ensure maximum vendor outreach.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The current calculated living wage during the solicitation process of this contract is \$11.71; the selected vendor meets this requirement.
