### **BACKGROUND**

On June 10, 2015, City Council authorized a housing development loan with Dallas Area Habitat for Humanity (DAHFH) in the amount of \$540,000 in HOME Investment Partnership Funds (HOME) for construction costs for the development of 18 scattered sites homes located in the Joppa Neighborhood area. On September 14, 2016, City Council authorized an amendment to extend the housing development loan with DAHFH August 16, 2016 to August 31, 2017.

The units were built and sold by December 2017, but the project remained open pending clearance of Davis Bacon compliance on 2 units that was resolved in early 2019. In accordance with the U.S.

Department of Housing and Urban Development's recommendation, DAHFH paid \$26,010.40 into an escrow account to be held by the City for three years or until wage claims are presented and agreed to take steps to locate missing compliance information. The Department of Housing and Neighborhood Revitalization (Housing), as well as the developer, went through staff changes and assignments which further delayed processing of the final payment in the amount of \$61,350.12. Last, the original funding number can no longer be used to provide final payment and therefore needs to be changed to a new funding number.

Original Encumbrance	Contract Amount	Amount Paid/Drawn	Remaining Funds & Final Payment
HOME-HM14	\$540,000.00	\$478,649.88	\$61,350.12

Housing would like to close out the project, recommends an amendment to the loan agreement to provide a contract extension, and update funding information to process final payment to close out the contract.
