STRATEGIC PRIORITY: Government Performance and Financial Management

AGENDA DATE: January 13, 2021

COUNCIL DISTRICT(S): All

DEPARTMENT: Office of Procurement Services

EXECUTIVE: Elizabeth Reich

SUBJECT

Authorize a five-year service contract for licenses, hosting, maintenance, and support for a spatial analysis and predictive modeling solution for the Department of Information and Technology Services - OpportunitySpace, Inc. dba Tolemi, sole source - Not to exceed \$655,000 - Financing: Data Services Funds (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This service contract will provide licenses, hosting, maintenance, and support for a spatial analysis and predictive modeling solution for the Department of Information and Technology Services. This solution provides a comprehensive data platform that will integrate data from multiple data sources. This will allow City departments to share and access data through a single solution.

This solution is a map-based application which will combine property data sets from different

applications or departments within the City into a single data set. The property related information from departments like the Department of Code Compliance, Department of Sustainable Development and Construction, and the Department of Housing & Neighborhood Revitalization can be combined as a one data set and analyzed using artificial intelligence. Combining and analyzing the data in a map-based platform in a timely manner will enable, for example, the Department of Code Compliance to predict the vacancy and abandonment of properties which in turn will enable the City to control blight.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The current calculated living wage during the solicitation process of this contract is \$12.38; the selected vendor meets this requirement.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

This item has no prior action.
