### SUBJECT

Authorize Supplemental Agreement No. 1 to the professional services contract with Pacheco Koch Consulting Engineers, Inc. for an increase to the design and engineering services for the Crawford Memorial Park Phase 1 Improvements Project located at 8700 Elam Road - Not to exceed \$470,550.00, from \$655,667.00 to \$1,126,217.00 - Financing: Park and Recreation Facilities (2006 General Obligation Bond Funds)

### BACKGROUND

The original contract award included schematic design of the Crawford Memorial Park Master Plan, Phase 1 Implementation, construction of a dam on Prairie Creek and creation of a lake, removal and relocation of an existing pedestrian bridge, re-establishment and expansion of a loop trail across the dam, boat ramps, environmental evaluation, hydraulic and hydrologic evaluations, water rights and Texas Commission on Environmental Quality permit applications.

This action will authorize Supplemental Agreement No. 1 to the professional services contract with

Pacheco Koch Consulting Engineers, Inc. for an increase to the design and engineering services for the Crawford Memorial Park Phase 1 Improvements Project, in an amount not to exceed \$470,550.00, increasing the contract amount from \$655,667.00 to \$1,126,217.00.

Supplemental Agreement No. 1 advances Phase 1 from schematic design to construction and bidding documents for elements including relocating trails and a pedestrian bridge impacted by the future dam and lake; safety lighting options; parking lot renovations; peninsula improvements including artistic elements; incorporation of artistic elements into shade structures, picnic areas, and observation areas. Additional work includes design and engineering services including topographic survey, geotechnical investigation, additional hydraulic and hydrologic evaluations, environmental clearances and permitting for a south loop trail below the future dam and lake, two pedestrian bridges over Prairie Creek Road, a prefabricated restroom building, an all abilities playground and adult playground, and modifications to more easily accommodate future boat ramps and piers that will be designed in detail with the lake proper.
