BACKGROUND

In July 2008, the Housing and Economic Recovery Act of 2008 (HERA) through the U.S. Department of Housing and Urban Development (HUD) was enacted into law. HERA appropriated \$3.92 billion to assist states and localities in redevelopment efforts, particularly for foreclosed or abandoned housing properties. The Program is referred to as the Neighborhood Stabilization Program 1 (NSP 1) and is considered a Special Allocation of 2008 Community Development Block Grant Funds.

In July 2010, the HERA was amended in Section 1497 of the Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) to add \$1 billion for NSP3 to assist states and localities in

redevelopment efforts for foreclosed or abandoned housing properties.

On February 25, 2009, City Council authorized the acceptance of the NSP 1 funds in the amount of \$7,932,555.00. On February 9, 2011, the City of Dallas accepted its allocation of NSP 3 funds in the amount of \$2,356,962.00. The Department of Housing and Neighborhood Revitalization (Housing) contracted with private developers to build single family units.

Altogether the NSP 1 and 3 programs developed 160 single family units and provided down payment assistance to 58 homebuyers. The Department of Housing and Neighborhood Revitalization (Housing) expended all funds originally awarded and currently has \$1,290,613.00 in program income to disburse for development activities. Housing intends to avail these funds in the standing Notice of Funding Availability for developers to request through proposals.

On February 10, 2021, City Council held (1) a public hearing for public comments for Substantial Amendment No.5 to the Neighborhood Stabilization Program (NSP) 1 and NSP 3 to expand the target areas in the Action Plan as defined in Attachment A; and (2) at the conclusion of the public hearing adopted the Substantial Amendment No.5.

Approval of this item will amend the Neighborhood Stabilization Program Statement target areas to align with the Reinvestment Strategy Areas in the Comprehensive Housing Policy and Opportunity Zones.
