BACKGROUND

The Applicant submitted a pre-application to the Texas Department of Housing and Community Affairs (TDHCA) for 2021 9% Competitive Housing Tax Credits (9% HTC) for the development of Okapi Apartments, a ground-up development of a 98-unit mixed-income multifamily complex located at 900 East Clarendon Drive, Dallas, TX 75203. OM Housing LLC has a Commercial Contract of Sale for the property.

In the administration of its **9%** HTC Program, TDHCA awards application points for a resolution from a governing body of a local municipality on the following basis:

Within a municipality, the application will receive:

- **17** points for a resolution from the governing body of that municipality expressly setting forth that the municipality supports (Resolution of Support) the application or development; or
- **14** points for a resolution from the governing body of that municipality expressly setting forth that the municipality has no objection (Resolution of No Objection) to the application or development.
- **7** points if the development is located in an area with a Concerted Revitalization Plan (CRP) such as a Tax Increment Finance (TIF) district or Land Use Plan and receives 1) a letter from a local official documenting measurable improvements within the area and 2) a resolution by the municipality that affirms the development contributes more than any other development to the concerted revitalization efforts of area.

Within the extraterritorial jurisdiction of a municipality, the Application may receive:

- **8.5** points for a resolution from the governing body of that municipality expressly setting forth that the municipality supports (Resolution of Support) the Application or Development; or
- **7** points for a resolution from the governing body of that municipality expressly setting forth that the municipality has no objection (Resolution of No Objection) to the Application or Development

The proposed property manager is Asset Living. Asset Living has been managing quality multifamily and affordable rental communities throughout Texas across the country since 1986.

There will be a clubhouse with swimming pool, fitness center, business center, activity center, community center with AV equipment, bike racks, nine foot ceilings, energy efficient stainless-steel microwave, dishwasher and oven. On May 9, 2018, City Council adopted the Comprehensive Housing Policy (CHP), Resolution Nos. 18-0704 and 18-1680, as amended on November 28, 2018, which provided a policy including evaluation criteria for developers requiring Resolutions of Support or No Objection for rental housing developments seeking HTC through TDHCA.

On June 12, 2019, City Council authorized an amendment to the CHP to modify the evaluation criteria for developers requiring Resolutions of Support or No Objection for rental housing development seeking HTC through TDHCA by Resolution No. 19-0884. The modified evaluation criteria include standard thresholds for both 4% and 9% HTC applications such as evidence of site control, TDHCA minimum site standards, affirmatively further fair housing, and other requirements.

The evaluation criteria for 9% HTC applications seeking a Resolution of Support also requires applications meet a priority housing need of the City. The applications must meet at least one of the following six priorities:

- The project has been selected to receive City funding such as Community Development Block Grants, Home Investment Partnerships Program, or General Obligation Bond Funding;
- The applicant intends to partner with the Dallas Housing Finance Corporation or Public Facility Corporation,
- The proposal involves the redevelopment of public housing owned by the Dallas Housing Authority under the Choice Neighborhoods, Rental Assistance Demonstration, HOPE IV, or other similar U.S. Department of Housing and Urban Development programs that may be created;
- The project is located in a census tract with a poverty rate below 20%;
- The project located in a Redevelopment Reinvestment Strategy Area (RSA) or Stabilization RSA; and
- A 50-unit project dedicating 20% of the units for tenants referred from the Continuum of Care list.

Applications that do not qualify as a priority housing need must score at least 50 points based on if the proposed project is mixed income, includes a non-profit or historically underutilized business, its proximity of amenities to the development site, and resident services to be provided.

Okapi Apartments is qualified to receive a staff recommendation for a resolution of support as it scored over 50 points on the CHP's Low Income HTC Policy scoring rubric and met the required application thresholds. Because of the amenities and services to be provided, the application scored a 65.5 out of 76 points. The proposed site has insufficient data to provide a Market Value Analysis market type, but is surrounded by Category I.

Okapi Apartments are located in the Dallas Zoo Area Land Use Study, adopted by City Council on December 12, 2001, by Resolution No. 01-3686, as amended, and is qualified to receive additional CRP points from TDHCA. Staff also recommend that the City Councils affirms within the Resolution of Support that the development contributes significantly more than any other to the concerted revitalization efforts of the area.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

The Housing and Homelessness Solutions Committee will be briefed regarding this matter on February 22, 2021.
