BACKGROUND

Since the 2018 TIF/Chapter 380 Agreement was authorized by City Council in June 2018, the Developer has continued to make substantial progress on the Project. In April 2021, the Developer submitted a request for five amendments to the existing agreements to address several issues arising over the past year mostly due to the COVID-19 pandemic and its impact on both development timelines and market demand for certain Project elements that had been contemplated in 2018. The amendments are also associated with the Developer’s need for greater flexibility to complete private financing transactions necessary to navigate the impacts of the pandemic and continue development

of the Project without additional City funding.

The attached **Exhibit A** was briefed to Mall Area Redevelopment TIF District Board of Directors on June 11, 2021. Slides 3 through 26 contain detailed information about the background, history, and progress to-date of the Project. Slides 27 through 33 contain specific information about the five amendments requested by the Developer and recommended by staff.
