SUBJECT

An ordinance authorizing the issuance and sale of City of Dallas, Texas Waterworks and Sewer System Revenue Refunding Bonds, Series 2021C in a principal amount not to exceed \$150,000,000; establishing parameters regarding the sale of the bonds; approving the execution of agreements in connection with the sale of the bonds; and all other matters related thereto - Not to exceed \$565,000 - Financing: Dallas Water Utilities Fund

BACKGROUND

This proposed revenue bond sale is for the refunding and retirement of commercial paper notes issued for interim financing of improvements to the City's water and wastewater system. Issuance of revenue bonds for refunding and retirement of approximately \$147,000,000 in commercial paper notes is in accordance with the capital program for water and wastewater improvements and is within the Fiscal Year 2020-21 operating and capital budgets for the Water Utilities Department.

The City's Co-Financial Advisors, Hilltop Securities, Inc. and Estrada Hinojosa, recommend a

competitive sale based on favorable market conditions and Dallas Water Utilities' stable credit profile.
