STRATEGIC PRIORITY: Government Performance and Financial Management

AGENDA DATE: September 9, 2021

COUNCIL DISTRICT(S): All

DEPARTMENT: Office of Procurement Services

EXECUTIVE: Elizabeth Reich

SUBJECT

Authorize **(1)** a two-year acquisition contract for the purchase of initial licenses and implementation of a regional cyber threat intelligence fusion center solution for the Department of Information and Technology Services in an amount not to exceed \$255,000; and **(2)** a five-year service price agreement for additional licenses, maintenance, and support services of regional cyber threat intelligence fusion center solution for Department of Information and Technology Services in the estimated amount of \$995,700 - WizNucleus, Inc., most advantageous proposer of fourteen - Total amount of \$1,250,700 - Financing: Homeland Security Urban Area (\$350,770) and Data Services Fund (\$900,000) (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm

pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The not to exceed amount establishes firm pricing for a specific scope of work, while the estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

This service price agreement will provide for the acquisition and implementation for a regional cyber threat intelligence fusion center solution and additional licenses, maintenance, and support. This initiative will create and sustain an effective Cyber Fusion Center which allows for the sharing of intelligence then applying the information to a collective defense across the Dallas/Ft. Worth region and shared nationally. This technology will allow for a communal approach to threat data, similar to the methods the Police Department uses to share information for the physical protection of residents. This service provides the proactive intelligence to the online and the Police Department community for cyber threat data.

A four-member committee from the following departments reviewed and evaluated the qualifications:

- Department of Information and Technology Services (1)
- Police Department (1)
- Water Utilities Department (1)
- Office of Procurement Services (1)*

*The Office of Procurement Services evaluated cost and local preference, if applicable.

The committee selected the successful respondent on the basis of demonstrated competence and qualifications under the following criteria:

- | | |
|------------------------------------|-----------|
| • Technical match to requirements | 30 points |
| • Cost | 30 points |
| • Functional match to requirements | 20 points |
| • Capability and expertise | 15 points |
| • Training | 5 points |

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The current calculated living wage during the solicitation process of this contract is \$12.38; the selected vendor meets this requirement.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

This item has no prior action.

FISCAL INFORMATION

Fund	FY 2021	FY 2022	Future Years
Homeland Security Urban Area Fund	\$95,700.00	\$255,000.00	\$ 0.00
Data Services Fund	\$ 0.00	\$ 0.00	\$900,000.00
Total	\$95,700.00	\$255,000.00	\$900,000.00
