The SAMHSA of the U.S. Department of HHS awarded the City a fiveyear grant with the project period from September 30, 2018 through September 29, 2023. The South Dallas Drug Court (SDDC) seeks to identify adults with mental health issues and substance abuse addictions who have been referred to the SDDC for adjudication and processing, and to offer those individuals enhanced program services that include alcohol/drug and mental health treatment, recovery support services, screening, assessment, job placement and training, financial planning, parenting classes, anger management, case management and other related services in lieu of jail time. The SDDC is in the Martin Luther King, Jr. Community Center located at 2922 Martin Luther King, Jr. Boulevard and serves South Dallas/Fair Park, Jubilee Park, and Pleasant Grove.

The U.S. Department of HHS, SAMHSA, has awarded the City \$361,012.00 in support of the SDDC Program for year four of the five-year project period.
