### SUBJECT

Authorize a construction services contract for the construction of East Overton Road from South Marsalis Avenue to South Ewing Avenue - Tiseo Paving Company, lowest responsible bidder of six - Not to exceed \$1,789,440.96 - Financing: Street and Transportation (A) Fund (2017 General Obligation Bond Funds) (\$1,499,323.95), Water Construction Fund (\$20,239.50), and Water Capital Improvement F Fund (\$269,877.51)

### BACKGROUND

This action will authorize a construction services contract with Tiseo Paving Company for the construction of East Overton Road from South Marsalis Avenue to South Ewing Avenue.

The project will include improving the existing asphalt street with new reinforced concrete street pavement, curb, gutter, concrete sidewalk, driveway approaches, storm drainage, and water improvements.

Tiseo Paving Company is a registered vendor with the City of Dallas and has an office located in Mesquite, Texas.

The following chart illustrates Tiseo Paving Company's contractual activities with the City of Dallas for the past three years:

	<u>PBW</u>	<u>DWU</u>	<u>PKR</u>	<u>TRN</u>

If this project is not awarded for construction at this time, the street will continue to deteriorate causing additional pavement cracking and potholes to form, creating additional maintenance costs for the City and potential damages to vehicles utilizing the street. Field conditions may also change, which will require modifications to the engineering design plans, requiring additional funding and time to address.
