BACKGROUND

This grant will allow the City the opportunity to partner with a research partner, the Institute for Urban Policy Research (IUPR) at the University of Texas at Dallas, to study the prevalence of sex trafficking in the City of Dallas jurisdiction.

Funds from this grant will allow the Institute for Urban Policy Research (IUPR) at the University of Texas at Dallas to complete a comprehensive study that will follow up on the 2014 Urban Institute study and provide the necessary information on prevalence and needs for funding for the City of Dallas. Understanding the prevalence and needs will provide empirical evidence to back data-driven policy and budgets.
