BACKGROUND

On April 22, 2020, City Council adopted the FY 2020-21 HUD Consolidated Plan Budget for the U.S. Department of Housing and Urban Development ("HUD") Grant Funds and the CARES Act Relief Funds Budget by Resolution No. 20-0655. On November 11, 2020, City Council adopted Substantial

Amendment No. 1 to the FY 2020-21 Action Plan to amend the FY 2020-21 HUD Consolidated Plan Budget and the CARES Act Relief Funds Budget by Resolution No. 20-1845.

On June 9, 2021, City Council adopted the FY 2021-22 HUD Consolidated Plan Budget for the United States (HUD) Grant Funds by Resolution No. 21-0974. The FY 2021-22 HUD Consolidated Plan Budget includes Housing Opportunities for Persons with AIDS (“HOPWA”) Grant Funds, which are available beginning October 1, 2021, contingent upon HUD’s approval of the City’s FY 2021-22 Action Plan (which is based on the approved HUD Consolidated Plan Budget, submitted on or about August 15, 2021) and execution of the grant agreements with HUD.

The City of Dallas has applied for and received Housing Opportunities for Persons with AIDS (“HOPWA”) funds since 1993 to support eligible activities within the Dallas Eligible Metropolitan Statistical Area (“Dallas EMSA”) which includes the counties of Dallas, Collin, Denton, Ellis, Hunt, Kaufman, and Rockwall. HOPWA Grant Funds are to assist grantees in meeting the housing needs of low-income persons with HIV/AIDS and HIV-related illness and their families.

On June 20, 2019, the City of Dallas Office of Procurement Services issued and solicited and received Requests for Proposals (#BRZ19-00010793) for the HOPWA Program. Legacy Counseling Center, Inc. (“Legacy”) submitted a proposal for master leasing and emergency vouchers and was recommended for funding.

On October 23, 2019, City Council authorized a twelve-month contract, with two twelve-month renewal options contingent on available funding, with Legacy to provide master leasing including supportive services and emergency vouchers for homeless persons with HIV/AIDS by Resolution No. 19-1665.

In response to the coronavirus pandemic, the federal Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) was signed on March 27, 2020. The CARES Act included HOPWA funds to maintain operations and for rental assistance, supportive services, and other necessary actions, to prevent, prepare for, and respond to coronavirus. A portion of CARES Act Funds were made available to agencies under contract to provide HOPWA-funded scattered site and facility-based housing (including master leasing) as a small one-time contract increase in response to the coronavirus pandemic. Legacy’s allocation was \$81,943.00 to provide master leasing with supportive services for persons living with HIV/AIDS. This item will provide a twelve-month extension of time to expend these remaining funds.

On November 11, 2020, City Council authorized the first twelve-month renewal option to the contract with Legacy, including HOPWA CARES Act Funds, to continue providing master leasing including supportive services and emergency vouchers for homeless persons living with HIV/AIDS by Resolution No. 20-1794.

Legacy is a non-profit agency located in the Oak Lawn area. Legacy was founded in 1989 and has been providing services to the HIV/AIDS impacted population of Dallas and surrounding counties since that time. The agency’s programs fall under three categories of services: mental health, substance abuse, and housing. Mental health and substance abuse services include individual, couple, and family therapy and support groups for persons impacted by the HIV/AIDS epidemic, including crisis counseling as well as short and long-term therapy.

Legacy will provide a HOPWA master leasing program, as well as emergency hotel/motel vouchers,

for homeless persons with HIV/AIDS. Legacy also provides HOPWA facility based housing assistance and HOPWA housing information services and resource identification for persons living with HIV/AIDS under separate contracts.

Under master leasing, Legacy leases apartment units under a master lease with a private landlord, and subleases those units to homeless persons with HIV/AIDS for independent, long-term living. The master leasing program covers the cost of rent and utilities (less the required tenant portion), along with other costs to operate the units. The agency also provides a housing case manager to provide support for the client in maintaining housing stability and access to care and services. Under emergency vouchers, Legacy provides emergency hotel/motel vouchers for homeless persons with HIV/AIDS for up to 30 days to reduce their stay on the streets or in a shelter prior to moving into permanent housing.

To ensure eligible persons across the Dallas EMSA have access to the full continuum of HOPWA eligible activities, the City intends to enter into additional project sponsor agreements with entities that provide additional eligible activities (e.g., facility based housing, scattered site housing assistance, housing information services, and support services).

All HOPWA projects use the local Homeless Management Information System (“HMIS”) to collect client-level data for service coordination and reporting/evaluation purposes. Legacy staff must input client-level data into the local HMIS with applicable written consent. Legacy must also submit monthly financial reports (including supporting documentation) and performance reports (including demographic data, outputs, and outcomes). These reports are compiled at year end into the City’s annual report to HUD.
