STRATEGIC PRIORITY: Government Performance and Financial Management

AGENDA DATE: January 12, 2022

COUNCIL DISTRICT(S): All

DEPARTMENT: Office of Procurement Services

EXECUTIVE: Elizabeth Reich

SUBJECT

Authorize a three-year service price agreement, with two one-year renewal options, for wood waste and yard waste grinding services for the Department of Sanitation Services - National Waste Management Louisiana, Inc. dba NWMLA, Inc., most advantageous proposer of three - Estimated amount of \$3,064,500 - Financing: Sanitation Operation Fund

BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

This service price agreement will provide for wood waste and yard waste grinding services. This contract is needed for the daily grinding of all yard waste stockpiles located at transfer stations and the landfill. Once the waste is ground it is then used to protect roads against damage from

commercial vehicles operating inside the landfill. This service provides grinding services for brush debris, yard and vegetated waste from shrub and tree trimming at McCommas Bluff landfill, Bachman Transfer Station, Southwest Transfer Station, and Fair Oaks Transfer Station.

A six-member committee from the following departments reviewed and evaluated the qualifications:

- Department of Equipment and Fleet Management (1)
- Department of Sanitation Services (2)
- Office of Environmental Quality & Sustainability (1)
- Water Utilities Department (1)
- Office of Procurement Services (1)*

*The Office of Procurement Services evaluated cost and local preference, if applicable.

The committee selected the successful respondent on the basis of demonstrated competence and qualifications under the following criteria:

- Cost 45 points
- Experience and client reference 30 points
- Approach to the project 20 points
- Local Preference 5 points

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The current calculated living wage during the solicitation process of this contract is \$12.38; the selected vendor meets this requirement.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On January 22, 2020, City Council authorized Supplemental Agreement No. 2 to increase the service contract with National Waste Management Louisiana, Inc. dba NWMLA, Inc. for yard waste grinding services for the Department Sanitation; and the ratification to pay outstanding yard waste grinding service invoices associated with the October 20, 2019 tornado with National Waste Management Louisiana, Inc. dba NWMLA, Inc. by Resolution No. 20-0214.

FISCAL INFORMATION

Fund	FY 2022	FY 2023	Future Years
Sanitation Operation Fund	\$1,000,000.00	\$1,000,000.00	\$1,064,500.00
