### SUBJECT

Authorize the Director of Transportation or their designee to place orders for street lighting under the terms of the existing agreement with Oncor Electric Delivery Company LLC, utilizing work requests executed by the Director or designee - Financing: No cost consideration to the City

### BACKGROUND

Currently any City-initiated request to modify Oncor Electric Delivery's street light system results in a work request (WR) document. The Oncor WR includes a description of the work involved (such as addition or removal of a street light), the specific pole locations, and the cost as determined by Oncor engineers. WR's are routine in nature, and some have no cost. In a typical year, about 200 WR's are executed. Among the WR's are work requested as part of the City's public safety street lighting initiative.

While the WR form, developed by Oncor, describes the WR's as contract amendments, they are actually in the nature of work orders, which would normally be executed by city staff. The purpose of this action is to authorize the Director of Transportation or designee to execute these WR's, so that they can avoid going through the process used for contract amendments, which require approval as

to form by the City Attorney and executions by the City Manager. These approvals build in additional time to the process, which causes delay. Because these work requests are similar in effect to an order for goods or services placed under an existing contract, it is appropriate to streamline the process to execute them so as not to unnecessarily impede the construction of much needed new lighting facilities.

City staff coordinated with the City Attorney's Office to streamline the process and reduce turnaround time for execution of WR's. City staff requests that the Department of Transportation Director (or designee) be authorized to sign Oncor WR's. Such a move will eliminate multiple steps and allow Oncor to expedite the processing of the City's requests.

### **PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)**

This item has no prior action.

### **FISCAL INFORMATION**

No cost consideration to the City.
