SUBJECT

Authorize the ratification of \$2,000,000.00 to pay outstanding invoices due to various vendors for original manufacturer parts and labor services performed to maintain continuity of City operations after the expiration of existing contracts tied to master agreement BN1702 - Not to exceed \$2,000,000.00 - Financing: Equipment and Fleet Management Fund (\$1,218,500.00), Sanitation Services Fund (\$375,000.00), General Fund (\$300,500.00), Dallas Water Utilities Fund (\$101,000.00), and Aviation Fund (\$5,000.00)

BACKGROUND

This item allows for the ratification of services performed by vendors previously under contracts tied to master agreement (MA) BN1702. These services were provided between October 27, 2021, and January 11, 2022, and are funded in the FY 2021-22 Budget. Vendors maintained the same pricing structure and are actively participating in the existing procurement to replace MA BN1702.

The procurement to replace expired MA BN1702 is nearing completion with estimated consideration

for City Council award in March 2022. This replacement master agreement is unique as it will provide for multiple awards per commodity which will allow the City to enhance customer service and turnaround times on repairs to City vehicles and equipment.
