STRATEGIC PRIORITY: Government Performance & Financial Management

AGENDA DATE: August 10, 2022

COUNCIL DISTRICT(S): All

DEPARTMENT: Office of Procurement Services

EXECUTIVE: Jack Ireland

SUBJECT

Authorize a three-year service price agreement for vehicle auto body collision repair services - First Class Auto, Inc., most advantageous proposer of two - Estimated amount of \$9,802,100 - Financing: General Fund (\$370,400) and Equipment and Fleet Management Fund (\$9,431,700) (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement. We anticipate the following City departments will use this agreement:

- Building Services Department
- Department of Equipment and Fleet Management
- Fire-Rescue Department

- Police Department

This service price agreement will provide for vehicle auto body collision repair services for the City's vehicle and heavy equipment fleet. Approximately 1,300 City vehicles are damaged per year during the course of providing services and the City must have a method of repairing these vehicles to ensure timely continuation of service.

A five-member committee from the following departments reviewed and evaluated the qualifications:

- Department of Equipment and Fleet Management (2)
- Police Department (1)
- Water Utilities Department (1)
- Office of Procurement Services (1)*

*The Office of Procurement Services evaluated cost and local preference, if applicable.

The committee selected the successful respondent on the basis of demonstrated competence and qualifications under the following criteria:

- Price 35 points
- Vendor facilities 30 points
- Capabilities and expertise 30 points
- Local Preference 5 points

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a "living wage" rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The current calculated living wage during the solicitation process of this contract is \$15.21; the selected vendor meets this requirement.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On December 13, 2017, City Council authorized a three-year service contract for vehicle and equipment body collision repair services with First Class Auto, Inc. by Resolution No. 17-1868.

On March 9, 2022, City Council authorized Supplemental Agreement No.1 to increase the service contract with First Class Auto, Inc. for vehicle and equipment body collision repair services for the Department of Equipment and Fleet Management by Resolution No. 22-0472.

FISCAL INFORMATION

Fund	FY 2022	FY 2023	Future Years
