BACKGROUND

This action will authorize a construction services contract with Estrada Concrete Company, LLC, for the construction of two street reconstruction projects as Target Neighborhood Group 17-6008.

The scope of the project group will include replacing the existing deteriorating asphalt streets with reinforced concrete pavement, curb, gutter, sidewalk, driveway approaches, drainage improvements,

water and wastewater improvements, and other miscellaneous items necessary to complete the project in accordance with the plans and specifications.

Following are the locations and construction costs for each project:

| <u>Project</u> | <u>Council District</u> | <u>Amount</u> |
|---|--------------------------------|----------------------|
