### <u>SUBJECT</u>

Authorize acquisition from the Estate of Ronald Dean Harris, Estate of Starlett Kay Harris Spicer, Estate of Patricia Louise Cox, and Donald Ray Harris, of approximately 8,730 square feet of land located in Van Zandt County for the Lake Tawakoni 144-inch Transmission Pipeline Project - Not to exceed \$13,264.00 (\$10,264.00, plus closing costs and title expenses not to exceed \$3,000.00) - Financing: Water Construction Fund

#### BACKGROUND

This item authorizes the acquisition from the Estate of Ronald Dean Harris, Estate of Starlett Kay Harris Spicer, Estate of Patricia Louise Cox, and Donald Ray Harris, of approximately 8,730 square feet of land located in Van Zandt County. This property will be used for the construction of a 144-inch raw water transmission line for the Lake Tawakoni 144-inch Transmission Pipeline Project. The consideration is based on an independent appraisal. The estimated relocation benefits are approximately \$2,500.00.

This acquisition is part of the right-of-way required to construct approximately 32 miles of pipeline from Lake Tawakoni to the Interim Balancing Reservoir located in Terrell, Texas; and then to the Eastside Water Treatment Plant located in Sunnyvale, Texas. The new raw water pipeline will augment the existing 72-inch and 84-inch pipelines. The construction of this pipeline will give Dallas Water Utilities the ability to utilize the full capacity of both the Lake Tawakoni and the Lake Fork raw water supply to meet the current city needs and future water demands.
