BACKGROUND

This cooperative purchasing agreement will provide for continued use of the existing software to facilitate the new hire and performance management process. Benefits of the system include, but are

not limited to:

- Accept and process job applications submitted online
- Manage position eligibility lists
- Schedule applicants for testing and provide management with test scores

The Local Government Purchasing Cooperative (Buyboard) agreement is authorized by Chapter 791 of the Texas Government Code and Subchapter F, Chapter 271, Texas Local Government Code. Section 271.102 of the Texas Local Government Code which authorizes a local government to participate in a Cooperative Purchasing Program with another local government or a local cooperative organization.
