SUBJECT

Authorize a three-year consultant contract for asset marketing and sponsorship consulting services for the Park & Recreation Department - The Superlative Group, Inc., most advantageous proposer of three - Estimated amount of \$249,650 - Financing: General Fund (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a consultant contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

This consultant contract will provide for asset marketing and sponsorship consulting services for the Park & Recreation Department. The contract will engage the services of a consultant to review, inventory, identify, and evaluate Park & Recreation Department assets for marketing and sponsorship opportunities. The services include the development of mutually beneficial sponsorship contracts that deliver revenue dollars and/or products or services to the Park & Recreational Department in

exchange for certain advertising, naming rights, marketing and/or promotional considerations granted by the Park & Recreation Department. This contract also provides commodity line pricing for Citywide Department advertising options.

The total asset marketing and sponsorship revenue share between the Park & Recreation Department and the Contractor shall be a 75%/25% split. The Contractor will earn a 25% commission on all sales with the Park & Recreation Department retaining 75% of secured sponsorship revenue.

A five-member committee from the following departments reviewed and evaluated the qualifications:

- Communications Outreach Marketing (1)
- Office of Environmental, Quality & Sustainability (1)
- Budget and Management Services (1)
- Park & Recreation Department (1)
- Office of Procurement Services (1) *

*The Office of Procurement Services only evaluated the cost and local preference, if applicable.

The committee selected the successful respondent on the basis of demonstrated competence and qualifications under the following criteria:

- Cost 35 points
- Experience, capability, and expertise 30 points
- Overall approach and methodology 25 points
- Revenue 5 points
- Local Preference 5 points

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The current calculated living wage during the solicitation process of this contract is \$15.21; the selected vendor meets this requirement.
