STRATEGIC PRIORITY: Government Performance & Financial Management

AGENDA DATE: January 11, 2023

COUNCIL DISTRICT(S): All

DEPARTMENT: Office of Procurement Services

EXECUTIVE: Jack Ireland

SUBJECT

Authorize a two-year service price agreement for routine and emergency water extraction services and structure and content drying services at various City facilities for the Building Services Department - Tigerhawk LLC dba SERVPRO of Southwest Dallas, SERVPRO of Dallas Central in the estimated amount of \$440,045.56 and Restoration Specialists, LLC in the estimated amount of \$74,714.30, lowest responsible bidders of five - Total estimated amount of \$514,759.86 - Financing: General Fund (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

This service price agreement will provide for routine and emergency water extraction services and structure and content drying services at various City facilities for the Building Services Department. Services include, but are not limited to, emergency service calls, water extraction from carpeted and non-carpeted floors, odor control, biocide deployment, decontamination, moisture content monitoring and reporting, non-hazardous waste removal and disposal, and hazardous waste removal and disposal. Disposal of all waste associated with services through this agreement must comply with all local, state, and federal environmental protection regulations.

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a "living wage" rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The calculated living wage during the solicitation process of this contract is \$15.21; the selected vendor meets this requirement.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On December 9, 2020, City Council authorized a two-year service price agreement for routine and emergency water extraction services and structure and content drying services at various City facilities for the Building Services Department with MBW Serv Corporation by Resolution No. 20-1907.
