DEPARTMENT: Office of Procurement Services

EXECUTIVE: Jack Ireland

SUBJECT

Authorize a one-year cooperative purchasing agreement for the purchase and installation of a friction tester for the Department of Aviation with Halliday Technologies, Inc. through the General Services Administration cooperative agreement - Not to exceed \$117,349.67 - Financing: Aviation Fund

BACKGROUND

This action does not encumber funds; the purpose of a cooperative purchasing agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This cooperative purchasing agreement will provide for the purchase and installation of a friction tester for the Department of Aviation. The purpose for conducting runway friction assessments is to enhance the safety of the flying public. As required in Federal Aviation Administration (FAA) Advisory Circular 150-5320/12C, Airside Operations conduct friction surveys on a weekly basis. This testing provides current pavement friction conditions. If assessments determine unacceptable levels of contamination, this information assists airport staff in developing mitigation plans. Our current equipment is antiquated and does not have a large enough water tank to conduct full assessments of both runways in a timely manner. The new equipment is essential for maintenance of the runway

surfaces and continuation of aircraft operations during winter weather.

The General Services Administration cooperative agreement is authorized by Chapter 791 of the Texas Government Code and Subchapter F, Chapter 271, Texas Local Government Code. Section 271.102 of the Texas Local Government Code which authorizes a local government to participate in a Cooperative Purchasing Program with another local government or a local cooperative organization.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

This item has no prior action.

 The Business Inclusion and D Agreements. 	evelopment Policy does not ap	oply to Cooperative Purchasing
 Halliday Technologies, Inc N 	lon-local; Workforce - 0.00% L	ocal

PROCUREMENT INFORMATION

Method of Evaluation for Award Type:

Cooperative Purchasing Agreement	 Cooperative purchasing agreements enable the City to associate with State agencies, other local governments, or local cooperative organizations comprised of other state and local governments, to leverage market buying power and enable the City to purchase goods or services at lower prices The cooperative purchasing agreement is an alternative method of
	meeting the requirements for competitive bidding or competitive sealed proposals, not an exception from that requirement
