AGENDA DATE: March 8, 2023

COUNCIL DISTRICT(S): All

DEPARTMENT: Building Services Department

EXECUTIVE: Dr. Robert Perez

SUBJECT

Authorize a two-year construction services contract with three one-year renewal options to perform job order contracting services at City of Dallas facilities with METCO Engineering dba METCO, Brown & Root Industrial Services LLC, RS Commercial Construction, LLC, 3i Contracting LLC, Phoenix I Restoration and Construction, Ltd., and Big Sky Construction Co. Inc., the most advantageous proposers of twenty seven - Not to exceed \$25,000,000.00 - Financing: Capital Construction Fund (subject to annual appropriations) (see Fiscal Information)

BACKGROUND

This action will authorize the construction services contracts with six firms to provide job order contracting (JOC) services for repairs, alterations, renovations, remediation, and construction at City of Dallas facilities. These services will be provided at the following city facilities: community centers, cultural facilities, fire stations, libraries, police stations, service centers, historical facilities, and City Hall. Services will be performed on one or more of the following building systems: accessibility

components, building envelopes, heating, ventilation, and air-conditioning systems, electrical systems, plumbing systems, interior finishes, exterior finishes, and roofing systems.

JOC is an alternative contracting method that provides an option to address construction, repair, rehabilitation, and alterations at City-owned buildings, as provided for by Texas Government Code Chapter 2269. This action does not encumber funds. The purpose of a JOC is to establish firm pricing for the above-mentioned services, for a specified term, which are ordered on an as needed basis.

On November 2 and 9, 2022 the request for competitive sealed proposals for JOC services was advertised in accordance with City of Dallas purchasing guidelines. METCO Engineering dba METCO (METCO), Brown & Root Industrial Services, LLC (Brown & Root), RS Commercial Construction, LLC (RS), 3i Contracting LLC (3i), Phoenix I Restoration and Construction, Ltd. (Phoenix I), and Big Sky Construction Co., Inc. (Big Sky Construction), were selected by an evaluation committee as the most advantageous proposers to the City.
