STRATEGIC PRIORITY: Government Performance & Financial Management

AGENDA DATE: April 12, 2023

COUNCIL DISTRICT(S): All

DEPARTMENT: Office of Procurement Services

EXECUTIVE: Jack Ireland

SUBJECT

Authorize a five-year service price agreement for acquisition and distribution of replacement toilets as part of the Water Conservation Strategic Plan for the Office of Environmental Quality and Sustainability - Ferguson Enterprises, Inc., most advantageous proposer of two - Estimated amount of \$1,262,395.30 - Financing: General Fund (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

This service price agreement will provide for the purchase and distribution of replacement residential style high efficiency (1.28 gallons or less per flush) toilets as part of the Water Conservation Strategic Plan. Through this contract the City will offer residents high efficiency toilets to replace older models

which require greater water volume to operate. The program is available to qualified Water Utilities' single and multi-family residential customers requesting to participate in the "New Throne for Your Home" program or the low-income Minor Plumbing Repair program. This program is anticipated to distribute approximately 3,000 toilets annually.

A six-member committee from the following departments reviewed and evaluated the qualifications:

- Department of Sanitation Services (1)
- Office of Environmental Quality and Sustainability (2)
- Water Utilities Department (2)
- Office of Procurement Services (1)*

*The Office of Procurement Services evaluated cost and local preference, if applicable.

The committee selected the successful respondent on the basis of demonstrated competence and qualifications under the following criteria:

- Cost 35 points
- Experience 30 points
- Quality of Products Proposed per specifications 10 points
- Proposed Hours of Operations, Warehousing & Distributions locations 5 points
- Method of Invoicing 5 points
- Local Preference 5 points

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a "living wage" rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The calculated living wage during the solicitation process of this contract is \$15.21; the selected vendor meets this requirement.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

This item has no prior action.
