STRATEGIC PRIORITY: Government Performance & Financial Management
AGENDA DATE: April 12, 2023
COUNCIL DISTRICT(S): All
DEPARTMENT: Office of Procurement Services
EXECUTIVE: Jack Ireland

SUBJECT

Authorize a three-year service price agreement for removal and disposal of excavated materials for the Water Utilities Department - Herdez Trucking Co., lowest responsible bidder of three - Estimated amount of \$1,539,825 - Financing: Dallas Water Utilities Fund (subject to annual appropriations)

BACKGROUND

This action does not encumber funds; the purpose of a service price agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

This service price agreement will provide for the removal and disposal of excavated materials for the Water Utilities Department. The services under this agreement provide for the transportation of excavated materials (soil, sand, concrete, re-bar, and broken pipe) from City locations. The excess excavated material is hauled by the awarded vendor to an approved dumpsite or landfill according to

the Texas Commission on Environmental Quality regulations.

City locations includes service centers, water main repair projects, or construction sites to an approved dumpsite. The City estimates approximately 260,000 cubic yards of excavated material will be removed by the awarded supplier within a three-year period.

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The calculated living wage during the solicitation process of this contract is \$17.82; the selected vendor meets this requirement.

PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)

On August 14, 2019, the City Council authorized a three-year service price agreement for removal and disposal of excavated materials for City facilities and work sites for the Water Utilities Department with Herdez Trucking Co. by Resolution No. 19-1120.

FISCAL INFORMATION

Fund	FY 2023	FY 2024	Future Years
Dallas Water Utilities Fund	\$513,108.00	\$513,108.00	\$513,609.00
