BACKGROUND

This action does not encumber funds; the purpose of a service contract is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis.

This service contract will provide for the administration of a benefits navigation program for the Office of Community Care. Services through this agreement will support residents who have been directly and indirectly impacted by the Coronavirus pandemic. The benefits navigation program will provide residents with a single stop access point for benefits outreach, enrollment, and renewal. This

program will help residents maximize support and obtain benefits for which they are eligible, with a focus on federal assistance that is assigned and available.

A five-member committee from the following departments reviewed and evaluated the qualifications:

- Department of Housing & Neighborhood Revitalization (1)
- Office of Community Care (2)
- Office of Equity & Inclusion (1)
- Office of Procurement Services (1)*

*The Office of Procurement Services evaluated cost and local preference, if applicable.

The committee selected the successful respondent on the basis of demonstrated competence and qualifications under the following criteria:

- Programming and work plan 40 points
- Organizational capacity 20 points

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors.

On November 10, 2015, the City Council authorized a living wage policy that requires contractors to pay their employees a “living wage” rate as established annually by the Massachusetts Institute of Technology Living Wage Calculator for Dallas County by Resolution No. 15-2141. The calculated living wage during the solicitation process of this contract is \$15.21; the selected vendor meets this requirement.
