BACKGROUND

Over the past year, Office of Economic Development staff, along with the City's independent outside underwriter, have been extensively reviewing the proposed Project and an associated incentive application submitted by H MART Inc. In consultation with the City's independent outside underwriter, staff structured the proposed incentive as gap financing to make the Project financially feasible and negotiated a detailed Letter of Intent ("LOI") with representatives of H MART Inc. On May 3, 2023, representatives of H MART Inc. accepted staff's proposed incentive and executed the LOI. The Resolution accompanying this agenda item contains the detailed terms and conditions of the negotiated economic development incentive agreement.

H MART is the largest Asian supermarket chain in America. H MART specializes in Asian and American groceries, meats, seafood, produce, housewares, and ready-made meals.

Since the opening of the first H MART supermarket in 1982 in Woodside, New York, the company has grown to over 72 stores across 14 states with over 4,500 employees. H MART currently operates six stores in the state of Texas but none in the city of Dallas. Currently, the only H MART supermarkets in the Dallas-Fort Worth region are in Carrollton and Plano.

An affiliate of H MART Inc., IYK Texas Corporation ("Developer"), will perform or cause to be performed all site and building improvements for this Project and will own the real property. The Project has an estimated total cost of \$28 million (excluding acquisition and carrying costs) and is planned to include:

- interior environmental remediation, selective interior demolition, substantial renovation, and finish-out of the existing 143,200 square foot vacant building (e.g. roof; façade; structural; mechanical; electrical; plumbing; lighting; heating/ventilation/air-conditioning; fire alarm/sprinkler), including:
 - approximately 74,300 square foot H MART supermarket ("Store") on the first floor (H MART Harry Hines, LLC, another affiliate of H MART Inc., will lease and operate the Store);
 - approximately 47,300 square feet of retail space on the first floor; and
 - approximately 16,500 square feet of office space on the second floor
- site improvements (e.g. utilities; parking lot, site lighting, landscaping; signage)
- furniture, fixtures, equipment, machinery, inventory, security system for the Store

The economic development incentive negotiated by City staff and accepted by the Developer

includes the following three components:

1. Chapter 380 economic development grant (“Grant”) in an amount not to exceed \$2,500,000.00 and payable in three installments. The City funding source for the Grant is the Public/Private Partnership Fund.
2. Chapter 380 sales tax grant (“Sales Tax Grant”) in an amount not to exceed \$1,000,000.00 over ten (10) years. Developer shall be eligible for up to ten (10) annual sales tax grant payments, each being in an amount equal to the lesser of: (a) 75% of the sales tax receipts consummated at the Store and received by the City from the Texas Comptroller’s Office for a given year; or (b) \$100,000.00. Each annual sales tax grant payment shall not exceed \$100,000 per year. The cumulative total of all annual sales tax grant payments over the 10-year period shall not exceed \$1,000,000.00.
3. A real property tax abatement (“RP Tax Abatement”) for a period of ten (10) years in an amount equal to the City’s taxes assessed on 90% of the added taxable value of the Property resulting from Developer’s (or affiliate’s) real property investment in the Project.

Chapter 378 of the Texas Local Government Code (the “Act”) provides for the designation of Neighborhood Empowerment Zones. A Neighborhood Empowerment Zone (“NEZ”) is a flexible tool that a municipality can utilize to implement an economic development program or project in a particular area. Pursuant to the Act, a NEZ can be designated to promote any of the following: (1) creation and/or rehabilitation of affordable housing in the zone, (2) an increase in economic development in the zone, or (3) an increase in the quality of social services, education, or public safety for residents of the zone. To facilitate a tax abatement for this economic development Project at this location, staff is recommending designation of City of Dallas Neighborhood Empowerment Zone No. 22 (“NEZ No. 22”).
