STRATEGIC PRIORITY: Government Performance and Financial Management
AGENDA DATE: January 8, 2020
COUNCIL DISTRICT(S): All
DEPARTMENT: Office of Procurement Services
EXECUTIVE: Elizabeth Reich

SUBJECT

Authorize a two-year master agreement for small cast iron fittings for Dallas Water Utilities - Fortiline, Inc. dba Fortiline Waterworks, lowest responsible bidder of three - Estimated amount of \$185,000 - Financing: Dallas Water Utilities Fund

BACKGROUND

This action does not encumber funds; the purpose of a master agreement is to establish firm pricing for goods, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

This master agreement will provide for the purchase of small cast iron fittings. Dallas Water Utilities maintains 5,000 miles of water mains throughout the water distribution system. The cast iron fittings are connected to the system's potable water pipelines, which serve City residents and customer cities. The fittings utilized in this agreement will allow Dallas Water Utilities field crew personnel to repair, replace, and make required adjustments to water pipe lines within distribution systems, as well as to repair residential and commercial piping, water meters, bypass valves, and other apparatuses as needed at existing locations and new installations.

As part of the solicitation process and in an effort to increase competition, the Office of Procurement Services used its procurement system to send out email notifications to vendors registered under relevant commodity codes. To further increase competition, the Office of Procurement Services uses historical solicitation information, the Internet, and vendor contact information obtained from user departments to contact additional vendors. Additionally, in an effort to secure more competition, the Office of Business Diversity sent notifications to chambers of commerce and advocacy groups to ensure maximum vendor outreach.
