BACKGROUND

Chapter 378 of the Texas Local Government Code (the Act) provides for the creation of NEZs. A NEZ is a flexible tool that a municipality can utilize to implement an economic development program, to create or rehabilitate affordable housing in the zone, and to increase the quality of social services, education or public safety provided to the residents of the zone.

With this item, staff is proposing to create City of Dallas NEZ No. 12 for a geographic area approximately 1,767 acres in size generally bounded by Jupiter Road, Northwest Highway, Garland Road, Shiloh Road, Maylee Boulevard, Gus Thomasson Road, and Peavy Road in the Casa View area of Dallas. The area is comprised mostly of single-family homes. Most of the area is Market Value Analysis Category F, G, or H.

NEZ No. 12 boundaries specifically focus on neighborhoods near and within the Casa View stabilization area that have a higher percentage of low-income families and a noticeable need for repairs per Dallas Central Appraisal District's condition ratings.
