### **BACKGROUND**

Chapter 378 of the Texas Local Government Code (the Act) provides for the creation of NEZs. A NEZ is a flexible tool that a municipality can utilize to implement an economic development program, to create or rehabilitate affordable housing in the zone, and to increase the quality of social services, education or public safety provided to the residents of the zone.

With this item, staff is proposing to create City of Dallas NEZ No. 15 for a geographic area approximately 297 acres in size generally bounded by the Trinity River, Corinth Street, 8th Street, Ewing Avenue, and R.L. Thornton Freeway in the Bottom/Tenth Street area of Dallas. The area is comprised mostly of single-family homes and vacant lots. Most of the area is Market Value Analysis Category E or I.

NEZ No. 15 was drawn to focus efforts on the Bottom and the Tenth Street historical district, which can benefit from tax abatements and development grants in exchange for repairs for older homes and from lower development costs for new, moderately priced homes.

A companion item on the current Council agenda proposes to amend the Comprehensive Housing Policy (CHP) to create a Residential NEZ Program which would provide for a tax abatement and grants in amounts equal to development fees and certain development-related costs for (1) new construction of single-family homes or duplexes that are sold or rented to eligible households, or new construction of multifamily dwelling units that are sold to eligible households, on lots that are either currently vacant, subject to an order of demolition under Chapter 27 or purchased through the City's Land Bank or Land Transfer programs; (2) renovation of owner-occupied housing units; and (3) renovation, code compliance, and guaranteed affordability for rental single-family and duplex housing units.

A small portion of the proposed boundary lies within the Transit-Oriented Development (TOD) Tax Increment Financing (TIF) District. Section 311.0125 of the Texas Tax Code requires that tax abatements within TIF districts be approved by the board of directors of the TIF district and the governing body of each participating taxing jurisdiction.

The Board of Directors of the TOD TIF District and the Dallas County Commissioners Court are each anticipated to review a formal request for approval of tax abatements up to \$50,000.00 per abatement that comply with the Residential NEZ Program and are within the TOD TIF District. The TIF Board will review an amendment to the increment allocation policy if necessary. This item recommends that City Council also specifically approve such abatements within the TIF district and authorize the City Manager to execute tax abatement agreements for projects eligible for the Residential NEZ Program in the proposed NEZ, including those within the TIF district, up to \$50,000.00 per abatement.

City Council approval of this item will approve the creation of the NEZ and authorize the City Manager to execute tax abatement agreements up to \$50,000.00 each, including within the TOD TIF District.
