### **BACKGROUND**

Beginning in 2009, the State Legislature has appropriated funding to be administered by the TDHCA for the Homeless Housing and Services Program ("HHSP"), to provide funding to the largest cities in Texas (with a population greater than 285,500), in support of services to homeless individuals and families. There are currently nine cities receiving HHSP funding: Arlington, Austin, Corpus Christi, Dallas, El Paso, Fort Worth, Houston, Plano, and San Antonio.

The purpose of the HHSP program is to provide housing and services for individuals and families who are homeless or at risk of homelessness. Eligible activities are administrative costs, case management, construction/conversion/rehabilitation, essential services, homelessness prevention, homelessness assistance (like rapid re-housing), operation of emergency shelters, and other local programs approved by TDHCA.

The City of Dallas receives two grants.

On October 18, 2019, TDHCA notified the City of Dallas of its FY 2020 HHSP general allocation in the amount of \$35,135.00 to provide case management to persons experiencing homelessness.

Approval of this item will authorize acceptance of the grant from TDHCA in an amount not to exceed \$35,135.00 to provide services to the homeless through HHSP. All services related to the grant will be reported in the Homeless Management Information System.

Under a recently adopted HHSP rule, each municipality receiving HHSP funding must provide a resolution that, in addition to accepting the grant, includes specific authorization to enter into a contract with TDHCA for HHSP funds and provides the title of the person authorized to represent the entity and having signature authority to execute a contract.

**PRIOR ACTION/REVIEW (COUNCIL, BOARDS, COMMISSIONS)**

The Citizen's Homeless Commission will be briefed by memorandum regarding this matter on February 14, 2020.
