BACKGROUND

The Bridge opened on May 20, 2008, providing a centralized entry point for homeless persons to access multiple services at one location through on-site services and co-located agencies. The Bridge serves almost 7,000 adult individuals experiencing homelessness per year, the majority of whom transition out of the agency's collaborative network rapidly. For adults experiencing episodes of homelessness, The Bridge provides triage services, jail diversion/reentry services, medical/behavioral health care services, and day shelter services. For adults experiencing or at-risk of long-term homelessness, The Bridge provides night shelter and recreational/education services and assists clients in obtaining employment/disability income and affordable/supportive housing.

Dallas County has been providing funding for homeless assistance services at The Bridge since it opened. Approval of this item will provide for funding for the operation of The Bridge for the period October 1, 2020 through September 30, 2021. The funds will be counted towards satisfying Bridge Steps fundraising requirement.
