SUBJECT

An ordinance approving Dallas-Fort Worth International Airport Board Resolution No. 2020-09-198, adopted on September 3, 2020 for the purpose of amending Appendix I of the Code of Rules and Regulations of the Dallas-Fort Worth International Airport Board, as follows: Appendix I is amended to include proposed new streets, 20th Avenue (N & S), 22nd Avenue (N & S), 34th Street (E & W) and 35th Street (E & W) at the Southwest Campus development site on Dallas-Fort Worth International Airport property - Financing: No cost consideration to the City

BACKGROUND

Dallas-Fort Worth International Airport is requesting that the Owner Cities of Dallas and Fort Worth approve of an amendment to the Airport's Code of Rules and Regulations that would add four new streets to the Airport's southwest campus.

The proposed streets are essential to supporting new buildings vital to the airport's operations including the new department of public safety headquarters, the Integrated Operations Center (currently under construction), the K9 training facility, snow & ice equipment facility, and future projects such as American Airlines new flight kitchen and a future fire station.

Construction of the streets is expected to be completed by December 2020. The names for the proposed streets are:

- 20th Avenue (N & S)
- 22nd Avenue (N & S)
- 34th Street (E & W)
- 35th Street (E & W)

The Airport Board approved of this amendment at its September 3, 2020 board meeting. In accordance with the Contract and Agreement of 1968, any amendments to the Airport's Code of Rules and Regulations require approval of the Owner Cities. A map of the proposed streets and the approved Official Board Action will be provided for this agenda item.
