BACKGROUND

On June 25, 2003, the City entered into a multi-year agreement with Texas Discovery Gardens (a non-profit organization) to manage and operate the Discovery Gardens building and surrounding grounds at Fair Park for a ten-year period. The agreement was extended on November 7, 2013 for a ten-year period.

On October 24, 2018, City Council authorized a management contract with Fair Park First for management and operation of Fair Park for the Park & Recreation Department for a term of twenty years, with two five-year extension options by Resolution No. 18-1531, which included an assignment of the underlying agreement with Texas Discovery Gardens to Fair Park First. However, the assigned contract does not contain a funding provision for community outreach and other related programming services. Within 60 days of the close of the fiscal year, Texas Discovery Gardens must provide a detailed breakdown based on indicators listed in the Texas Discovery Gardens agreement with Fair Park First.

The stipend payments will support the following programs and services for period of January 1, 2021 through December 31, 2021:

Community outreach services such as enrichment classes for school children, horticulture information services, and presentations at community centers and special facilities.
