### **BACKGROUND**

NuRock Acquisitions, LLC or its affiliates (Applicant) submitted a pre-application to the Texas Department of Housing and Community Affairs (TDHCA) for 2021 9% Competitive Housing Tax Credits (9% HTC) for the development of Residences at Alpha, a ground-up development of a 100-unit mixed-income multifamily complex located at 5353 Alpha Road, Dallas, Texas 75240. Applicant has executed a purchase contract with Janlaw Properties, Inc. and Zimcal Corp, the current property owner. NuRock Acquisitions, LLC may transfer the purchase contract to an affiliate.

In the administration of its **9%** HTC Program, TDHCA awards application points for a resolution from a Governing Body of a local municipality on the following basis:

Within a municipality, the application will receive:

- **17** points for a resolution from the governing body of that municipality expressly setting forth that the municipality supports (Resolution of Support) the application or development; or
- **14** points for a resolution from the governing body of that municipality expressly setting forth that the municipality has no objection (Resolution of No Objection) to the application or development.

Within the extraterritorial jurisdiction of a municipality, the Application may receive:

- **8.5** points for a resolution from the governing body of that municipality expressly setting forth that the municipality supports (Resolution of Support) the Application or Development; or

- 7 points for a resolution from the governing body of that municipality expressly setting forth that the municipality has no objection (Resolution of No Objection) to the Application or Development

The Applicant, a Texas limited liability company, is proposing to develop Residences at Alpha. The Applicant proposes the limited partnership include Applicant or its affiliate as 100% owner of the Special Limited Partner as managing partner of the project. Additionally, a limited partner will be admitted to the partnership once a tax credit investor is identified.

The proposed property manager is Lakewood Property Management, LLC, a United States subsidiary of the Applicant. Applicant and its affiliates have been developing, building, and managing quality multifamily and senior rental communities throughout Texas since 1995. Applicant and its affiliates have expertise in market rate, workforce housing, 9% HTC, and senior independent living.

The Applicant proposes to develop 100 units for seniors aged 55 and older. The 100 units will be comprised of 44 one-bedroom and 56 two-bedrooms units. The interior will include nine-foot ceilings and granite countertops. Planned amenities feature a swimming pool, fitness center, business center, and outdoor recreation space.

Total development costs are anticipated to be approximately \$22,633,196.00 which includes the acquisition price for the land. The hard cost construction budget is anticipated to be \$12,730,494.00 which is \$127,304.00.00 per unit. The total construction amount includes a 5.6% contingency.

On May 9, 2018, City Council adopted the Comprehensive Housing Policy (CHP), Resolution Nos. 18-0704 and 18-1680, as amended on November 28, 2018, which provided a policy including evaluation criteria for developers requiring Resolutions of Support or No Objection for rental housing developments seeking HTC through TDHCA.

On June 12, 2019, City Council authorized an amendment to the CHP to modify the evaluation criteria for developers requiring Resolutions of Support or No Objection for rental housing development seeking HTC through TDHCA by Resolution No. 19-0884. The modified evaluation criteria include standard thresholds for both 4% and 9% HTC applications such as evidence of site control, TDHCA minimum site standards, affirmatively further fair housing, and other requirements.

The evaluation criteria for 9% HTC applications seeking a Resolution of Support also requires applications meet a priority housing need of the City. The applications must meet at least one of the following six priorities:

- The project has been selected to receive City funding such as Community Development Block Grants, Home Investment Partnerships Program, or General Obligation Bond funding;
- The applicant intends to partner with the Dallas Housing Finance Corporation or Public Facility Corporation,
- The proposal involves the redevelopment of public housing owned by the Dallas Housing Authority under the Choice Neighborhoods, Rental Assistance Demonstration, HOPE IV, or other similar U.S. Department of Housing and Urban Development programs that may be created;
- The project is located in a census tract with a poverty rate below 20%;
- The project located in a Redevelopment Reinvestment Strategy Area (RSA) or Stabilization RSA; and
- A 50-unit project dedicating 20% of the units for tenants referred from the Continuum of Care list.

Applications that do not qualify as a priority housing need must score at least 50 points based on if the proposed project is mixed income, includes a non-profit or historically underutilized business, its proximity of amenities to the development site, and resident services to be provided.

Residences at Alpha is qualified to receive a staff recommendation for a resolution of support as it is a priority housing need development located in a census tract with a poverty rate less than 20% (Census Tract 48113013626) and met the required application thresholds. The proposed site has insufficient data to provide a Market Value Analysis market type but is surrounded by the E market type.
